

# 2017 Winter Plant Identification Course

Eastern Slopes Rangeland Seeds Ltd. (ESRS) is excited to announce our first annual 'Winter' Plant Identification Course. During this one day course, we will use frozen samples of a wide variety of forbs and weedy species for keying. Instructors will also provide lots of relevant spot identification, growth and habitat characteristics for each species.

 Tannas Conservation  
Services Ltd

This course will be a great way to develop or sharpen your identification skills before the field season and busy spring time arrives!

**Date:** March 31, 2017

**Location:** Cochrane, AB

**Instructors:** Clare, Kathy, and Steven Tannas, Darin Sherritt, plus more! We strive to have at least one instructor per 8-10 students to allow as much one on one instruction as possible.

**Contact:** eileen.tannas@esrseeds.com

**Phone:** (403) 437-9052

Please register before March 17, 2017 to reserve your spot.
